# Your pets this holiday season

Look after your furry friends this festive season with these tips, tricks and great deals on toys and more.

## Vaccinations

Heading away for the holidays? **Make sure your pets are up-to-date with their vaccinations** before checking them into their kennel or cattery, or socialising with other animals.

## Medication

Avoid the last minute rush and **stock up on their medicines** before you need them.

## Watch their consumption

**Don't let your pet overindulge or scavenge** food, scraps, treats or non-consumables (such as wrapping paper).

## Space

Just like us, **our pets need space and time out from others.** Busy environments can be stressful on animals (and people).

## Pet gifts

Treats offer great enrichment for pets. Make sure you stick to **daily recommendations** and **choose toys that will not break down** and be consumed.
