

## VetSouth Monitoring and Consultation Package

KeyVet Gold is designed for clients who are already, or wish to be, on our Production Profile Plus scheme. We combine the cost of PP+, lepto consult, PAR consult and drycow consult into an easy monthly payment which is spread over 10 months of the year.

As an added benefit, clients on the KeyVet Gold scheme will receive a discount off their Prescription Animal Remedies (PARs).

If this sounds like it would meet your needs, talk to us today!
